

# IMPower Series™ Insulated Metal Panels COLORS

Specify IMPower Series™ Insulated Metal Panels from Metal Sales™ in your choice of 13 standard colors. When making your coating selection, please note the following:

- The standard exterior texture for wall panels is an embossed surface. Smooth exterior surfaces may be available upon request.
- The standard exterior texture for roof panels is a smooth surface.
- The standard interior texture for all panels is a lightly embossed surface in SMP Imperial White.
- All colors except Imperial White are available in a PVDF finish upon request.
- HE40A AdobeTexture™ panels are available in Sandstone, Surrey Beige, Pearl Gray, and Regal White only.
- Non-stock colors, custom paint systems and special orders are subject to higher pricing and may increase lead times.

Contact your Metal Sales representative for information regarding availability and for complete coating system specifications.
